

HYNDBURN & RIBBLE VALLEY SCHOOL SPORTS PARTNERSHIP

The Hyndburn and Ribble Valley School Sport Partnership is based at Accrington Academy and has supported Schools to deliver high quality PE and School Sport since 2005. We believe that all children have the right to access high quality Physical Education and School Sport and we are committed to working alongside the 65 Primary Schools, 12 Secondary Schools and 2 Special Schools in Hyndburn and the Ribble Valley to achieve this. We aim to inspire a generation of young people to become engaged in sport and lead healthy active lifestyles.

As a school we are members of the Hyndburn and Ribble Valley School Sports Partnership. As part of our membership, we receive a number of opportunities across the following strands:

THE PROMOTION OF HEALTH AND WELLBEING TO ALL PUPILS:

The provision of **playground leader training** to enable Year 5 or 6 children to deliver events and activities at lunch time to younger children.

Change for life clubs – training, resources and ideas are provided to enable schools to deliver these clubs which engage less active children and educates them about healthy lifestyle choices.

B team and Participation events – a variety of these events are run to reinforce the message that sport is for everyone, not just the most talented.

Bronze Young Ambassador training – Each school is invited to send two of their best leaders on this training to enable them to support the development of PE and sport back in their school.

Bikeability training – Level two bikeability training is provided to all interested schools to enable all pupils to ride more safely on the roads and hopefully establish a habit for life.

RAISING THE STANDARDS OF PERFORMANCE THROUGH THE PROVISION OF HIGH QUALITY PHYSICAL EDUCATION:

HRVSSP provides the following:

- The delivery of staff insets and provision of training and resources on different aspects of the PE curriculum
- A wide range of professional learning opportunities delivered by Lancashire County Council PE advisors and national tutors from the Youth Sport Trust
- Support for newly qualified members of staff
- Support for the school to develop a plan to improve PE and school sport
- Expert teachers in dance, gymnastics, invasion games and athletics to team teach with school staff to improve knowledge and confidence
- Assistance with school games mark and Lancashire PE mark applications

INCREASING PARTICIPATION IN SPORTING OPPORTUNITIES

HRVSSP provides a diverse competition calendar for all year groups. Where appropriate these competitions link in with the national school games framework between levels 1 – 3. We always follow national governing body recommendations for the correct age appropriate formats for competitions and link in with local sports clubs. All competitions enable schools to enter more than one team so that opportunities for all children to take part are provided.

Where possible, local sports clubs help to run these competitions to provide sporting expertise, exit routes and talent identification for children taking part.

HRVSSP runs central venue leagues in football and netball in a variety of locations to enable teams to compete in regular high quality competitions.

Access to alternative events are provided such as dance festivals, multiskills events, cycling events and inclusive events to ensure there are opportunities for all children to participate.

Last Academic Year (2014 - 2015) HRVSSP provided the following to our member schools;

29 SCHOOLS
AND 1022 PUPILS
PASSED THEIR
