

In 2022/23 our school plans to use our sports funding £16,860 to:

All of our planned activities are designed to build children's confidence, self belief and self esteem. They should help the children to see the benefits of activity and exercise: learning that it is fun and has benefits for our mental and physical wellbeing. In the long term, we hope that it will encourage children to continue this healthy and active lifestyle once they leave us and that it stays with them for life.

Areas for further improvement and baseline evidence of need:

- Bike Riding - We have increasing numbers of children who are unable to ride a bike in Y5 when they need to undertake Bikeability training
- Uptake for after School clubs has been declining due to children having other commitments outside of school, we need to engage more children in taking up the 60 active minutes within the school day and increase fitness and participation levels.
- Provide OAA provision for LKS2.

Key Indicators (K.I) as set out for DfE

KI.1: The engagement of ALL pupils in regular physical activity - chief medical officer guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day.

KI.2: The profile of PESSPA being raised across the school as a tool for whole school improvement

KI.3: Increased confidence, knowledge and skills of staff in teaching PE and sport

KI.4: Broader experience of a range of sports and activities offered to all pupils

KI.5: Increased participation in competitive sport

		Estimated Cost	Intended Impact	Sustainability
1	Buy into the Hyndburn and Ribble Valley School sports Partnership	£1100 6.5%	<p>KI 1,2,3,4,5</p> <ul style="list-style-type: none"> • All Children across the school have the opportunity to compete in a range of sporting activities through a diverse competition Calendar (competitive and non competitive) • Staff CPD and provision of training and resources available Support, where needed, for the school to develop a plan to improve PE and school sport • Assistance available with school games mark application More children given the opportunity to represent the school • Leadership skills developed amongst children who will be trained as playground leaders.
