

Balderstone St. Leonard's C of E Primary School

Our Eco Code

We will all responsibility for our environment in which we live.

Because we care about the environment we will:

- Recycle paper, glass, cans and plastics.
 - Turn off lights in empty rooms.
 - Save water by turning off taps.
- Put litter in the bin but recycle where possible.
- Children will be encouraged to use reusable containers for packed lunches. No plastic bags or cling film.
 - Keep our school clean and tidy.
 - Look after our garden and field area.
- Walk or cycle whenever possible. Encourage everyone to participate in walk to school days.
 - Recycle good unwanted school uniform.
 - Reduce photocopying wherever possible.
 - Make sure all outside doors are shut in cold weather.
- Encourage wildlife by providing natural, safe habitat and continue being a hedgehog release site.
- Be a collection station for recycling batteries, clothes bank and paper recycling.
- Reduce electricity consumption using the solar panels and LED lighting.
- Reduce the consumption of paper towels by using the hand dyers.
- Having a water butt for rain collection to water the school garden.

We will reduce, reuse and recycle as much as possible.
